

Metrolink Regional Rail Service

Metrolink operates regional rail service on six routes in the greater Los Angeles area. Five of these routes radiate from Los Angeles Union Station, while the sixth connects San Bernardino and Riverside with Orange County.

Ventura County Line: Weekday-only trains operate in each direction on the Ventura County line. Most trains operate during peak hours, with a limited amount of off-peak service. Most service operates between Moorpark or Chatsworth and Los Angeles, although some trains also serve Oxnard and Camarillo. Trains stop at all Amtrak stations along the line, as well as other Metrolink-only stops.

Antelope Valley Line: Most weekday trains operate during peak hours, with limited off-peak service on the Antelope Valley line. Trains operate to/from Santa Clarita or Princessa, with some extended to Lancaster. Saturday service consists of four round trips to Lancaster. Trains stop at the Glendale Amtrak station. Amtrak Thruway buses to the San Joaquin Valley stop at the Metrolink stations in Lancaster and Santa Clarita/Newhall.

Additional service between Burbank Airport and Los Angeles: To augment the weekday round trips provided between Burbank and Los Angeles by the two above routes, additional trips operate between Burbank Airport or Burbank and Los Angeles.

San Bernardino Line: Weekday trains operate on the San Bernardino line between San Bernardino and Los Angeles--providing all-day service including more frequent service during peak periods. Saturday and Sunday service consists of several round-trips evenly spaced throughout the day operating between San Bernardino and Los Angeles (most of these trips also serve Riverside). The San Bernardino terminal is also served by Amtrak's *Southwest Chief* and Amtrak Thruway bus service to the San Joaquin Valley. Amtrak Thruway buses also stop at the Claremont station.

Riverside & 91 Lines: Most weekday trains operate during peak hours, with a limited amount of off-peak service on the Riverside and 91 lines. The Riverside line operates via East Ontario, while the 91 line operates via Fullerton. The Riverside Metrolink station is also served by *The Southwest Chief* and Amtrak Thruway buses to the San Joaquin Valley.

Orange County Line: Weekday-only trains on the Orange County Line operate mostly during peak hours. Some operate to or from Oceanside, while the others operate to or from Irvine or San Juan Capistrano. Trains serve all Amtrak stops along the line, as well as other Metrolink-only stops.

Inland Empire-Orange County Line: Weekday-only trains operate on Metrolink's line between San Bernardino or Riverside and Irvine or San Juan Capistrano. Most operate during peak hours with limited off-peak service.

Under the new Rail 2 Rail Program Metrolink monthly pass holders may ride any Amtrak train or bus within the limits of the pass, but other Metrolink tickets are not valid on Amtrak trains or buses. Amtrak ticket holders may ride any Metrolink train within the limits of their ticket. Between Burbank Airport, Glendale, and Los Angeles, any Amtrak or Metrolink ticket may be used on any train.

Metrolink, Amtrak and Caltrans are proud to celebrate the first anniversary of a multi-faceted program that allows Southern Californians more train travel options. Under the year-old **Rail 2 Rail** program, Amtrak and Metrolink accept certain tickets issued from each of their respective rail services. Here are the details:

- * Metrolink Monthly Pass Holders for the Orange County or Ventura County lines may ride any Amtrak train or bus within the limits of their pass, for no additional charge. This includes:
 - 22 weekday Amtrak trains and buses.
 - 24 weekend Amtrak trains and buses.

(Only Metrolink Monthly Passes are valid on Amtrak trains or buses. Other Metrolink tickets, such as single ride, round trip, or 10-ride tickets are not valid on Amtrak trains or buses.)

- * Amtrak *Pacific Surfliner* ticket holders may ride any Metrolink train within the limits of their ticket at no additional charge. This includes:
 - 40 weekday Metrolink trains.

WEEKEND SERVICE

Rail 2 Rail allows Metrolink Monthly Pass Holders to use their Monthly Pass to ride Amtrak *Pacific Surfliner* trains--within the origin and destination of their pass--on weekends.

Since there is currently no Metrolink service on the Ventura and Orange County lines on Saturdays, Sundays, or Holidays, Monthly Pass Holders on those lines now enjoy the convenience of 24 weekend Amtrak trains and buses.

This program does NOT include Amtrak's *Coast Starlight* train.

BURBANK AIRPORT SERVICE

Between Burbank Airport and Los Angeles Union Station (and intermediate points) **ANY** Metrolink or Amtrak ticket may be used on **ANY** train. Just buy a ticket and whatever train shows up first is your ride!
